Financial Policy

Thank you for choosing us as your dental care provider. We are committed to the success of your oral health.
We ask that you realize that we don't work for insurance companies, but we do work 100% for our patient.
Most insurance companies provide great benefits for our patients and we're going to do everything we can to maximize your benefits.
So please understand that the fees that we charge and the treatment that we're going to recommend is specifically designed for your individual needs and never based on your insurance coverage.

Payment, Insurance, and Treatment Acceptance Policy

Your co-payment and deductible are due at the time of service. We accept cash, check, Visa, MasterCard, American Express, Discover, and CareCredit. For extensive treatment plans, flexible payment options are available but must be arranged prior to treatment. **Appointments one hour or longer require a one-third deposit to reserve the time, and returned checks are subject to a $45 fee.**

We are happy to assist with filing dental insurance claims as a courtesy to our patients. However, it is your responsibility to inform us of any changes to your insurance coverage. **Co-payments are estimates only** and not a guarantee of payment or coverage. The patient is ultimately responsible for all charges incurred, including any deductible, copayment, coinsurance, non-covered services, denied claims, downgrades, frequency limitations, waiting periods, or any remaining balance not paid by the insurance company. Due to high patient volume, we are unable to make frequent calls to insurance carriers on your behalf. Please note that some plans provide alternative benefits for composite (white) fillings and all-ceramic posterior crowns, which may result in higher out-of-pocket costs than initially estimated. Additional services such as desensitizers and antimicrobial irrigation used during treatment are not typically covered by insurance and may be billed separately.

Before permanent cementation or insertion of crowns, bridges, veneers, dentures, or partial dentures, I have had the opportunity to review and approve the shade, shape, size, fit, and overall appearance. By authorizing final insertion, I acknowledge acceptance of the restoration and understand that any future changes may require additional treatment, appointments, and fees.

Missed and Cancelled Appointments

Please consider your calendar carefully when scheduling an appointment. We require **48** hours' notice to change or cancel your appointments. There may be a $75 fee per hour for all missed, cancelled, or changed appointments.

Collection Accounts

Please note that if your account remains unpaid for a period of 30 days, interest at 1.5% will be applied per month and a one-time charge of **$45 for delay and unpaid balances**. If your account is sent to collections, you will be responsible for **all costs** involved with the collections process, which includes all court costs, attorney fees and finance charges. Your signature below indicates that you have read and agreed to our financial policy. Thank you for being a valued patient.

Your First Visit

Your first visit is focused on getting to know you, your dental concerns, and your oral health needs. If you do not have recent dental records or X-rays, we will take a full set of digital X-rays, photos, and a wellness scan. Your visit includes a comprehensive exam, oral cancer screening, and professional cleaning using the method best suited to your needs. Fluoride treatment may also be recommended. After reviewing your findings, we will discuss a personalized treatment plan, including recommended care, estimated costs, and insurance coverage.

Changes in Treatment Plan

I understand that during treatment, it may be necessary to change and/or add procedures because of conditions found while working on the teeth that were not discovered during the examination. Upon my consent, I will give my permission to the dentist to make any/all changes and additions as necessary.

I authorize Avin Dental Care, to take photographs, and/or videos of my jaws and teeth (No face), before, during and after treatment. I consent to allow the photographs or videos to be used for the following:

☐ Social media (Facebook, Instagram, Google) marketing material including websites and printed materials
